July Meeting Minutes

The meeting was called to order at 7:10 PM by President, **Gary Pennington**. Gary introduced the club officers; **Howard Shettle**, Vice President, **Steve Cunningham**, Treasurer and **Dave Miller**, Secretary.

Treasurers Report: The current balance is approximately \$5,189.29

Attendance: **Phil Kolocotronis** reported 42 members in attendance.

Meet the Member: This month's Meet the Member was **Brad Johns**. Brad lives in Bowie and works as a distributor of safety equipment. Brad has been metal detecting for over 18 years. He started out as a child who always was looking for hidden treasure and remembers as a youth looking for money under gum and candy machines. He is the only one in his family who metal detects. His favorite type of hunting is Coin shooting and especially enjoys field hunts. Brads typical hunt days are about 7-9 hours long, but when a site has been producing, a 12 hour day is not uncommon. He has many metal detectors, notably Fisher, Whites, M6-IDX Pro, Bounty Hunter but his favorite by far is the Fisher F-75. He hunts with lightweight gear and strongly suggests knee pads. Brad has hunted outside the states as far as Thailand and the Virgin Islands where he found a gold wedding band on the beaches of Saint Johns. Brad doesn't do much research lately when he hunts but he does suggest utilizing old aerial mapping such as found on www.historicaerials.com. Brads suggestion for those just starting out in the hobby, to purchase good equipment from the start. Get a good pin pointer and be persistent, and patient.

Bob Taylor: Club member and local dealer, **Bob Taylor**, brought us up to date with the current metal detecting equipment news.

Metal Detecting News: **Phil Kolocotronis** reported that he read an article in American Digger Magazine that people have been a victim of counterfeit metal detectors which are made overseas. Minelab is the biggest forgery that has surfaced recently. If you see a deal that is too good to be true, be aware.

Training Program: **Andy Cooper** has volunteered to head a new training program. This program is designed to help new detectorists with learning their detector. A class on digging and pin pointing is also now available.

Monthly Club Hunt: Our July club outing was a nicely attended. No great finds, and lots of trash targets. Andy Cooper found a George Washington Inaugural Button. There will be no outing in August because of the dry soil conditions.

Annual Open Hunt: The 2016 Open Hunt will once again be held at Sandy Point State Park on October 9th. The cost will be \$100 for the two main hunts and two other optional hunts will be available: Club members voted to have a Team Hunt Option \$30/team and Big Silver Hunt Option \$50/person. There will be a total of 7 metal detectors to be raffled. There is also a scheduled "meet and greet" to be held on Saturday night. Please see our website for registration details. **Remember to register before August 1, 2016 for your chance to win a gold coin.**

Mini Hunt Winners: The mini hunt for July was cancelled due to rain. Be sure to participate in next month's mini hunt starting at 6:30 before the meeting.

Coin Board Winners: **Mike McCullough, Eric Ritter** and **Harry Morrison** were all winners in the coin category. **Mike McCullough, John Vice** and **Harry Morrison** were winners in the relic category.

Club Favorite Find of the Month: **Andy Cooper** won the "Club Favorite Find of the Month" with his George Washington Inaugural Button.

Raffle Winners: +50/50 – **Bill Wachter** Silver Round-**Zach Brewer**

Leg of Gold Winner: **George Wolfarth**

Door Prizes: **Harry Morrison, Brad Johns** and **Mark Huber.**

The Meeting was closed at 8:40 PM.

Next Meeting to be held August 25th, 2016 at 7:00 PM with mini hunt starting at 6:30 PM.

Metal Detecting News: **Phil Kolocotronis** reported that he read an article in American Digger Magazine that people have been a victim of counterfeit metal detectors which are made overseas. Minelab is the biggest forgery that has surfaced recently. If you see a deal that is too good to be true, be aware.

Training Program: **Andy Cooper** has volunteered to head a new training program. This program is designed to help new detectorists with learning their detector. A class on digging and pin pointing is also now available.

Monthly Club Hunt: Our July club outing was a nicely attended. No great finds, and lots of trash targets. Andy Cooper found a George Washington Inaugural Button. There will be no outing in August because of the dry soil conditions.

Annual Open Hunt: The 2016 Open Hunt will once again be held at Sandy Point State Park on October 9th. The cost will be \$100 for the two main hunts and two other optional hunts will be available: Club members voted to have a Team Hunt Option \$30/team and Big Silver Hunt Option \$50/person. There will be a total of 7 metal detectors to be raffled. There is also a scheduled "meet and greet" to be held on Saturday night. Please see our website for registration details. **Remember to register before August 1, 2016 for your chance to win a gold coin.**

Mini Hunt Winners: The mini hunt for July was cancelled due to rain. Be sure to participate in next month's mini hunt starting at 6:30 before the meeting.

Coin Board Winners: **Mike McCullough, Eric Ritter** and **Harry Morrison** were all winners in the coin category. **Mike McCullough, John Vice** and **Harry Morrison** were winners in the relic category.

Club Favorite Find of the Month: **Andy Cooper** won the "Club Favorite Find of the Month" with his George Washington Inaugural Button.

Raffle Winners: +50/50 – **Bill Wachter** Silver Round-**Zach Brewer**

Leg of Gold Winner: **George Wolfarth**

Door Prizes: **Harry Morrison, Brad Johns** and **Mark Huber.**

The Meeting was closed at 8:40 PM.

Next Meeting to be held August 25th, 2016 at 7:00 PM with mini hunt starting at 6:30 PM.

July 2016

July Meeting Minutes

The meeting was called to order at 7:10 PM by President, **Gary Pennington**. Gary introduced the club officers; **Howard Shettle**, Vice President, **Steve Cunningham**, Treasurer and **Dave Miller**, Secretary.

Treasurers Report: The current balance is approximately \$5,189.29

Attendance: **Phil Kolocotronis** reported 42 members in attendance.

Meet the Member: This month's Meet the Member was **Brad Johns**. Brad lives in Bowie and works as a distributor of safety equipment. Brad has been metal detecting for over 18 years. He started out as a child who always was looking for hidden treasure and remembers as a youth looking for money under gum and candy machines. He is the only one in his family who metal detects. His favorite type of hunting is Coin shooting and especially enjoys field hunts. Brads typical hunt days are about 7-9 hours long, but when a site has been producing, a 12 hour day is not uncommon. He has many metal detectors, notably Fisher, Whites, M6-IDX Pro, Bounty Hunter but his favorite by far is the Fisher F-75. He hunts with lightweight gear and strongly suggests knee pads. Brad has hunted outside the states as far as Thailand and the Virgin Islands where he found a gold wedding band on the beaches of Saint Johns. Brad doesn't do much research lately when he hunts but he does suggest utilizing old aerial mapping such as found on www.historicaerials.com. Brads suggestion for those just starting out in the hobby, to purchase good equipment from the start. Get a good pin pointer and be persistent, and patient.

Bob Taylor: Club member and local dealer, **Bob Taylor**, brought us up to date with the current metal detecting equipment news.
