ADDITIONAL INFORMATION

Kids Hunt is all metal. (Detectors should not use discrimination.) All kids will win prizes!

Want to help out? Many of the increasingly large number of children participating in the Kids Hunt in recent years (including Boy and Girl Scouts) have never held a detector. Volunteers are really needed. The future of our hobby starts with the youth of today.

Those who volunteer to help a child in the Kids Hunt will be entered in a *Gold Coin drawing*.

[ECRDA](#) and the [Task Force for Metal Detecting Rights Foundation](#) appreciate your willingness to support the growth and protection of our hobby from restrictive legislation by all local, state and national legislative bodies.

During the day there will be		
<i>Gold & Silver Coin Drawings</i>	<i>Special Drawings</i>	<i>50/50 Drawings</i>

Please note: Ocean City, NJ is an excellent family-centered resort area with nominal room rates in hotels, motels, and B&Bs. A number of locations offer a discount for ECRDA hunters who register for the both days of the two-day hunt (see our website, [ECRDA.org](#), for details – or ask the motel of your choice). The Boardwalk has activities and rides for young people, and there are good, reasonable restaurants in the area – and boardwalk attractions – for all to enjoy.
